April - June

A Message From the Board:

Welcome to the inaugural edition of the Quarterly Humanist Society Newsletter. This communique is part of the professional development offerings from The Humanist Society, and seeks to keep Humanist Chaplains and Humanist Celebrants aware of upcoming events, educational offerings, networking opportunities and more. The newsletter is the brainchild of our own Becca Ray, who will pull together many kinds of information, clickable links and more for your consideration. We thank her for the idea and her initiative to bring it to life. We hope you enjoy the newsletter and find it helpful as you pursue your work as a celebrant or chaplain. During this Spring season, I wish you all creativity and fresh ideas as you pursue your work on behalf of humanism.
